Music bingo update – Art Wagner

Net revenue is \$3,386.06 less scholarships; great event; start promoting spring trivia night early (maybe at gala) – trivia night scheduled for Feb 25

Treasurer's report – Dennis King

Closed out Sept with \$59,617.66 balance; current balance \$84k; expenses due (to be paid) \$1800 for fall brochure; \$500 artwork; approved funds for basketball \$2k and dance team \$2500; \$33,600 video board; \$500 music bingo scholarship

Bob Lee asked about updating booster spark page to reflect accurate amount that we gave out last year

Membership & spirit wear – Dennis King for Kim Lanio

Over 100 memberships; additional spirit wear order placed and will be in for this next home football game; brief discussion regarding an online store; Making near \$1k per football game; after football season, may move inventory to display in bookstore

Debbie Karlstrand

All membership t-shirts have been distributed except for the couple of just recent sign-ups; use vouchers next year instead of t-shirts or go with an item that doesn't require sizing; Dan Cummings suggested that the Booster Club find 3 items to look at instead of shirts for next year

Scholarship – Julie White & Cindy Rodriguez

Revising information posted on booster spark; Nov 1 is school acceptance date and school will send out scholarship information - could include our scholarship but would have to close with the others on Jan 17 – instead use a link to our page with a later deadline – make all booster club scholarships due April 1

Other – Dave Hughes

Report from school board meeting: Nov 17 open house – asked about the Booster Club attending to promote membership and possible sell spirit wear

Athletic director report – Bob Lee

Update on sports teams; \$4k left to purchase flags/banners for sports complex

Dan Cummings closed the meeting at 7:44 with a closing prayer
