

Warrior Pride Booster Club Meeting Minutes
August 5, 2026

Riley Nolan, President, called the meeting to order at 6:34 pm and led us in prayer.

Jim Bryant was not in attendance and Debbie Karlstrand agreed to take the minutes in his absence.

There was a review of the previous meeting minutes. Bubba Rhodes moved to approve. Jamie Domeier seconded and the minutes were approved.

Four funding requests were presented and discussed:

- Cindy Compton, Tennis Coach, requested \$5,000 for metal footings and poles for shades at the tennis courts. They have already raised \$8,500 on their own.
- Kyler Wooldridge, Swim Coach, requested \$625.00 for Spx swim caps.
- All sports requested \$5,000 additional funds per year for enhancements for Hudl. Athletic Director Vince Armilio reported that the additional \$5,000 would provide SPX with three additional cameras for the baseball field, football endzone and the gym backboards. There would also be five vests that would track athletes' heart rate, body temp, etc. This would put the total cost of Hudl at \$11,500.00 per year for the Booster Club.
- Courtney Wohlwend submitted a request for a table for taping. It is a modular table that costs \$6,784.00 and would compliment the SPX colors and weight room.

Treasurer Report: Bubba Rhodes reported on the budget. He noted that Tina Budzinski is the new Treasurer and will take over the Treasurer role on July 31, 2026. At the end of the fiscal year, July 31, 2026 we had \$87,253.00 remaining which leaves the Booster Club with over \$16,000 for distribution use. The budget for the next fiscal year will be worked on at the September Meeting.

Membership Report: Briana Bruening reported that the swag has been ordered except for the bags. Warrior Pride members will receive a sticker and power bank. Blue membership level will receive a blanket and one phone charger. Gold membership level will receive a \$25 spirit wear coupon, 2 power banks and a blanket. All membership levels will also include some activity passes as well.

It was discussed that there will be opportunities to have members of the Booster Club speak and/or have tables at SPX 101 and the Fall Sports Meeting.

Jamie Domeier discussed that the gross on sponsorships is \$72,000 and the net with fees is \$70,688. There are some sponsorships still available.

Debbie Karlstrand volunteered to assist with Scholarships this year.

A brief discussion regarding spirit wear was had and the success of the baseball items from Love Letters.

Publications- no report.

Athletic Director's Report- Nets will be installed behind the goal posts. The bleacher covers should be in for the first Volleyball game. The Assistant Athletic Director will be Coach Gross. Girls Wrestling is up and running and had a successful camp. Due to the change in the construction plan, there will not be construction beginning until after the football season is over. We are no longer playing football against SPX Festus and that game will now be played against Lutheran North of the St. Louis area.

Meeting adjourned at 7:47pm by Riley Nolan.
